1.4 Invoices should be sent by e-mail to invoicesDK@sanofi.com (one PDF or TIFF file per message) containing one request for payment and any attachments."

2 Obligations of Recipient

2.1 The Financial Contribution is given solely for the organization of the Project and shall not be used by Recipient for any other purpose without Sanofi's prior written consent.

A more detailed description of the Project, including a budget, is attached hereto as Exhibit A.

2.2 Recipient acknowledges the fact that Sanofi is a pharmaceutical company and can only financially support the Project if the Project as such meets the requirements of the EFPIA Member Association's Code of Practice in the country. In view thereof, Recipient represents and warrants that in the organization of the Project it shall abide by aforesaid requirements and, more generally, refrain from any acts and activities that (may) affect the legitimacy of Sanofi's Financial Contribution.

2.3 At Sanofi's request, Recipient shall fully disclose to Sanofi how the Financial Contribution has actually been spent.

2.4 Recipient shall clearly and legibly state in its communications related to the Project that the Project was 'made possible in part by Sanofi.

2.4 In return for the Financial Contribution provided by Sanofi, Recipient shall execute the disease awareness events as described in the application.

3. Transparency

3.1 Parties agree that the Financial Contribution made by Sanofi under this Agreement is subject to the provisions on disclosure of transfers of value between pharmaceutical companies, patient organizations and healthcare organizations as set forth in the EFPIA Member Association's Code of Practice in Recipient's country of registration (the "National Code of Practice").

3.2 Parties agree that Sanofi's local affiliate in Recipient's country of registration, Sanofi A/S Denmark, will take care of disclosure of the Financial Contribution in accordance with the relevant provisions of the National Code of Practice. To that end, Recipient hereby authorizes Sanofi to share with its local affiliate all information and details pertaining to Recipient and

this Agreement as Sanofi's local affiliate may require for disclosure purposes in line with the National Code of Practice.

4. Data Protection

The Parties will process all personal data obtained during the term of this Agreement in accordance with applicable data protection laws and regulations including but not limited to the General Data Protection Regulation (EU) 2016/679 and its amendments.

5. Compliance Undertakings

5.1 Parties represent and warrant that

- in the execution of this Agreement they will comply with all applicable laws and (self-) regulations, including - but not limited to - the National Code of Practice (as defined in Article 3.2 above), data protection and anti-bribery legislation such as the UK Bribery Act 2010; and
- they, and where relevant, their directors, officers, employees, agents or subcontractors shall not, directly or indirectly pay or promise to pay, or authorize the payment of any money, or give, promise to give or authorize the giving of anything of value to any government official, healthcare professional or person affiliated with a healthcare organization to obtain or retain business or secure improper advantage to Sanofi.

5.2 Parties acknowledge that the Financial Contribution of Sanofi does not take effect and is not intended to take effect as an incentive or reward for Recipient's past, present or future willingness to prescribe, administer, recommend (including formulary recommendations), purchase, pay for, reimburse, authorize, approve or supply any product or service sold or provided by Sanofi or as an incentive to grant an interview for any sales or marketing purposes.

6 Miscellaneous

6.1 During the term of this Agreement and thereafter, each party shall keep in trust and confidence and not disclose to others all information it receives from the other party, provided however that these non-disclosure obligations do not apply to such (portion of) information that (i) at the time of disclosure is available in the public domain, (ii) after disclosure becomes available in the public domain through no fault of the receiving party, (iii) is required to be disclosed under applicable laws or (self-) regulations, including the National Code of Practice (as defined in Article 3.2 above), or (iv) is already in the possession of the other party.

6.2 This Agreement shall not be assigned or otherwise transferred by either party without the prior written consent of the other party; provided however that Sanofi may assign this Agreement to any of its affiliates or to a successor to its business (whether by merger, a sale of all or substantially all of its assets relating to this Agreement, a sale of its capital stock, or otherwise).

6.3 Either party may terminate this Agreement with immediate effect by written notice to the other party, if the other party commits a breach of this Agreement and the breach is not remedied within thirty (30) days after service of written notice requiring the same. If a party terminates this Agreement in accordance with this Article 6.3, the other party shall not be

entitled to any compensation, indemnity or damages or other payment in respect of such termination. Article 3, Article 5.0, Articles 7.2 and 7.3 and all other provisions of this Agreement, including any Exhibit, that expressly or by their nature survive termination of this Agreement, shall continue in full force and effect subsequent to and notwithstanding such termination.

6.4 Sanofi shall have the right during the term of this Agreement and three (3) years thereafter to audit whether Recipient's use of the Financial Contribution is in accordance with this Agreement.

7. Effective Date, Governing Law and Dispute Resolution

7.1 This Agreement becomes effective when signed by an authorized representative of each party. A signed Agreement may be delivered by any reasonable means, including facsimile or other electronic transmission

7.2 The Agreement shall be governed by the laws of Denmark without reference to its conflict of laws provisions. The Parties shall try to solve by prior good faith negotiations any difficulties that may arise between them in the performance or construction of the Agreement. Should the Parties fail to reach an agreement, the Parties agree to submit the dispute to the exclusive jurisdiction of the competent court of Copenhagen, notwithstanding plurality of defendants, summary proceedings or impleader.

IN WITNESS WHEREOF, the Parties have duly executed this Agreement.

EXHIBIT A Project description

Anmodning om støtte til oplysningskampagne om kløeknoppe (Prurigo Nodularis) samt arrangement om atopisk eksem i Aalborg

Kløeknoppe

I 2024 lavede Eksemforeningen i samarbejde med hudlæge Jesper Elberling en oplysningskampagne om kløeknoppe (Prurigo Nodularis) målrettet patienter og hudlæger. Vi fik mange positive kommentarer fra både patienter og hudlæger og ønsker derfor at følge op på kampagnen for at give de hårdt ramte patienter og deres familier håb om et liv med sygdomskontrol.

Sidste år fik vi udviklet film med patient og Jesper Elberling samt fremsendt informationsbrochure til hudlæger og patienter. I år ønsker vi at supplere med en skrevet patienthistorie og information om Jesper Elberlings digt om kløeknoppe – som han udviklede efter sidste års kampagne, og som vi må bruge.

Vi har modtaget tilbud fra Molecule på ovenstående til i alt 119.000 kr. før moms.

Atopisk eksem

I november 2024 holdt Eksemforeningen arrangement i Aarhus, hvor vi kom i kontakt med tre eksempatienter, der nu udgør foreningens uformelle "Jyllands-afdeling". Eva, Kirstine og Vibeke arbejder nu på arrangement om atopisk eksem i Aalborg med fagligt indlæg fra cheflæge Maiken Glud Dalager fra Aalborg Universitetshospital.

Eksemforeningen synes, at det kommende arrangement i Aalborg er meget vigtigt både for at vise opbakning til vores nye frivillige og deres arbejde samt sikre god fremtidig relation til Maiken Glud Dalager.

Vi anmoder om støtte til betaling af frokost til de forventede 40 personer (inkl. lokaleleje) samt dækning af flyudgifter for de to sjællandske bestyrelsesmedlemmer, der deltager i arrangementet.

Vedhæftet er budget for arrangementet til i alt 15.000 kr. inkl. moms.

**Økonomisk anmodning**

Vi søger støtte hos både Galderma og Sanofi, og i forhåbning om at begge selskaber har lyst og mulighed for at bakke op, anmoder vi hvert selskab om 50% af beløbene.

Vi håber, at I kan bevillige 59.500 kr. før moms til projekt kløeknopper, hvor vi gerne vil lade Molecule administrere budgettet samt stå for fakturering.

Desuden beder vi om 7.500 kr. til brug for arrangement i Aalborg. Dette beløb vil Eksemlforeningen gerne fakturere jer og benytte til betaling af restaurant samt flybilletter.

På forhånd mange tak for opbakningen til foreningens arbejde.

Mange hilsner fra

Anne Skov Vastrup, forperson i Eksemlforeningen

Ansøgning om midler til Social Media kampagne for at øge kendskabet til kløeknopper

Sidste år udviklede Eksemlforeningen i tæt samarbejde med dermatolog Jesper Elberling dansk patientinformation om den sjældne hudsygdom kløeknopper (prurigo nodularis). Informationen blev overvældende godt taget imod, og foreningen oplever fortsat interesse for emnet.

Derfor ønsker Eksemlforeningen nu gennem en Social Media kampagne at øge kendskabet til alt den information, der allerede er udviklet og supplere med en ny patienthistorie.

Formålet er fortsat at give de hårdt ramte patienter og deres familier håb for et liv uden for mange symptomer ved at give dem viden, håb og handlerum til at forbedre deres chance for at få hjælp til at få sygdommen i ro.

Indsatsens elementer

Indsatsen vil bestå af flere elementer:

- Skreven casehistorie til eksemforeningen.dk inkl. foto
- Grafisk illustration af digt om kløeknopper ved Jesper Elberling
- Social Media indsats

Hertil kommer flere andre muligheder, der kan være med til at udbrede kendskabet, se budgettet for uddybning.

Casehistorien sætter endnu et ansigt på sygdommen, denne gang med en personlig fortælling formidlet som webtekst med portrætbillede.

Digtet skrev Jesper Elberling inspireret af sidste års kampagne. Digtet taler ind i, hvor omsiggribende en hudsygdom, kløeknopper er, og fortjener fokus og udbredelse.

Social Media indsatsen skal sikre udbredelse af både nyt og tidligere indhold, film, folder mm.

Indsatsen skal udvikles både til Facebook og Instagram tilpasset div. formater.

Al materiale udvikles af Molecule Consultancy i samarbejde med Eksemforeningen, og hvor relevant specialist Jesper Elberling og patient.

Ejerskab

Eksemforeningen ejer alle rettigheder til materialet og har sammen med de involverede parter den endelige beslutningskompetence ift. ordlyd og udformning af indhold. Intet indhold vil omtale specifikke produkter. Af hensyn til gennemsigtighed, vil det fremgå, hvem der finansierer indsatsen.

Timing

Det er foreningens ønske, at indsatsen udvikles i foråret 2025 og lanceres på de sociale medier omkring maj-juni 2025.

Budget

Nedenfor er skitseret budget for de forskellige elementer for indsatsen. Alle priser er ekskl. moms.

C	Social Media kampagne, 4 posts, inkl. annoncebudget Copy, visuals, opsætning og annoncering for 4 posts, der deles på både Facebook og Instagram i tilpassede formater. Postene er en kombination af 2 tidligere posts og nye posts med patientcase og digt. Annoncebudget sat til 3000 dkk pr post. Kortfattet afrapportering.	68.000

Budget for Eksemarrangement i Aalborg for ca. 40 personer.

Eksemarrangement i Aalborg udvikles af Eksemforeningens tre nye frivillige: Eva, Kirstine og Vibeke, der udgør foreningens uformelle "Jyllands-afdeling".

Det er vigtigt for Eksemforeningen at bakke op om vores nye frivillige og prioritere det kommende arrangement, som vil indeholde:

Faglige indlæg om "atopisk eksem og behandlingsformer" ved cheflæge Maiken Glud Dalager, samt "hverdagslivet og gode vaner med eksem" ved atopisygeplejerske Lotte Larsen fra Aalborg Universitetshospital.

Vores liv med atopisk eksem ved Kirstine (60 år) og Eva (27 år)
